TITAN LZ HOOKLOADER

LOW BUILD, HIGH PERFORMANCE

TITAN LZ HOOKLOADER

The all new, specifically designed low build Titan LZ hookloader brings unparalleled performance and design to the market. “Sweden” in Dutch is “**Zweden**” - so Hyva (from Dutch origins) started adding the letter “Z” to the units dedicated for Sweden. Ever since the letter “Z” has been associated with Scandinavian hookloaders in the Hyva world and by our customers. The LZ range with a mounting height of just 195mm, comes in 18t to 24t models, with a tunnel height of just 100mm. The Titan LZ provides the full package solution for the low-build segment.

Be a Titan

NEW OR IMPROVED FEATURES

Decreased mounting height of 195mm and tunnel height of just 100mm which **enables transport of containers with lower under-runners**

Easier and faster mounting with our new truck specific mounting kits

New casted pick-up hook with patented wear indicator, reduced width, and smoother inner profile for **easier movement of the container bar** inside the hook

Also available with **front wall and oil tank**, to cater for all your needs and applications

Boltable cross-members and separate boltable container supports for **optimal installation flexibility and improved stability** during tipping and loading/offloading

Newly developed 24t model added to the 18t - 24t family, with systems lengths ranging from 4900 to 6500mm

TECHNICAL DATA TITAN LZ	18T-S	20T-S	22T-S	24T-S
Lifting capacity from ground level	180 kN (18t)	200 kN (20t)	220 kN (22t)	240 kN (24t)
System length	min. 5.300 mm max. 6.000 mm	min. 5.300 mm max. 6.200 mm	min. 5.300 mm max. 6.500 mm	min. 5.700 mm max. 6.500 mm
System weight	min. 2.320 kg max. 2.600 kg	min. 2.320 kg max. 2.600 kg	min. 2.320 kg max. 2.640 kg	min. 2.510 kg max. 2.670 kg
Installation height	195 mm	195 mm	195 mm	195 mm
Tipping angle	min. 49.8° max. 56.0°	min. 49.8° max. 56.0°	min. 48.7° max. 56.0°	min. 48.7° max. 55.5°

OPTIONALLY AVAILABLE WITH OUR **HYVA DESIGNED FRONT WALL AND OIL TANK**. WITH A **BOLTABLE MOUNTING SYSTEM** AND **MODULAR APPROACH** TO FIT WITH THE EXISTING VERTICAL PLACED VALVE BLOCK IN THE FRONT OF THE HOOKLOADER.

FOL
FAST OFF LOAD

FAST OFF LOAD

Fast lift speed operations supported by low friction guide plates to ensure a **smooth and low-maintenance extension system**.

QIK
QUICK INSTALLATION KITS

QUICK-BOLT SYSTEM

Our specially designed QIK mounting kits for leading OEM truck brands bolt seamlessly onto the chassis and the superstructure, resulting in **safe, quality builds, and reduced installation time**.

110 countries
+3,500 employees
20,000 customers
+30 subsidiaries
14 production facilities

Hyva is a leading provider of innovative and highly efficient transport solutions for commercial vehicles used in transport, construction, mining, materials handling and environmental service industries.

Founded in 1979 in the Netherlands, the company has a global presence with more than 30 wholly owned subsidiaries, extraordinary service coverage and 14 manufacturing facilities in Brazil, China, Europe and India.
