

INTELWEIGH | Pizza scale

NEW WIRELESS CRANE SCALE FROM INTERMERCATO "INTELWEIGH PIZZA SCALE" (PAT PENDING).

The Intelweigh Pizza Scale is designed to meet the hard realities of today and tomorrow.

The Intelweigh Pizza scale is the result of decades of experience in strain gauge technology and the innovative thinking of Intermercato's engineering team.

KEY FEATURES

- Extremely low built design, ideal for Z-cranes, forwarders and all other installations with special space requirements
- No moving parts for long life time and minimal maintenance
- Overdimensioned construction measuring range x3
- Multiple strain gauge concept for optimal accuracy
- Pre calibrated at delivery – "plug-and-play"
- High resolution load cell
- Easily adapted to any grab/any machine
- Integrated motion control
- 5 and 7 ton **Intelweigh Pizza Forest** has standard interface to log grapples 173/6-17 and is mounted directly on the grab body. 203/6- 21 adapter available
- Temperature compensated
- Special high capacity battery
- Long range radio – 50 meter safe radio transmission
- **Intelweigh Pizza MH** (material handler) today available up to 15 ton measuring range. Designed for 45 ton
- User interface: Versatile Android App preinstalled in rugged IP 67 Android Smartphone. Windows App available late 2017

INTERMERCATO

High performance lift and load attachments for Forestry, Transport, Construction and Recycling.
